MEMORANDUM FOR: THE DIRECTOR

SUBJECT : Priority National Intelligence Objectives

1. Certain Annexes to DCID 1/3 were before the IAC for approval on 1 July. It was suggested that two Second Priority listings in Annex F might appropriately be raised to First Priority. This raised a question whether DCID 1/3 should be revised accordingly. The subject was remanded for further consideration by the Board.

2. For the reasons given in its memorandum to the USIB, the Board recommends (a) that DCID 1/3 not be amended, but (b) that Annex F be amended as indicated. The USIB Representatives concur.
